Estonia-Latvia-Russia CBC Programme within ENPI 2007-2013 has been launched in 2010. The strategic objective of the Programme is promotion of joint development to improve competitiveness of the Region using its socio-economic potential and beneficial location on the cross roads of the EU and the Russian Federation. The specific objective is to make the wider border area an attractive place for both inhabitants and businesses through activities aimed at improving the living standards and investment climate.

We look forward to seeing you in Narva!
