

## Cross Countries through Football CCF ELRI-181 outputs and results

### Outputs

**New artificial football turf** was installed in the **Narva Kalevi stadium** (8214 m<sup>2</sup>)

**Grass pitch in Pechory stadium** was replaced with a new natural football lawn (6800 m<sup>2</sup>)

**Additional minor equipment** was purchased for **Pechory stadium**, including 2 new football gates, 200 plastic chairs, 1 set of electronic table for different sporting games and 1 set of equipment for the maintenance of the stadium

**Two opening events** carried out successfully - **Pechory stadium** opening and **Narva Stadium** opening

There were **347 games** held during two seasons (**8642 participants**). The games were held at various stadiums in Estonia and in Russia

In addition to regular season games, **two winter cups in Narva** (384 participants) and **two summer camps in Pechory** were carried out (in total 51 participants)

Specially designed **training/seminar for Pechory trainers** was organised in Pechory

**Educational brochure** prepared and printed in Estonian and Russian. The concept of the brochure evolved and now it serves also as a **practical handbook for trainers** on how to perform football trainings

**European Cooperation Day** in September 2012 was celebrated in Pechory

## RESULTS

**Improvements to football infrastructure** in Narva and Pechory were implemented

**Awareness** of inhabitants of Pechory and Narva raised about **European cross border programmes**. Special attention reached by celebration of **European Cooperation Day** in Pechory

**Narva stadium** is ready for use in accordance with the **international football standards** - more than 165 children in all football clubs of Narva have got modern and safe training conditions.

More than **65000 inhabitants of Narva** benefits from **modern facilities for sports and other cultural activities**

More than 13000 inhabitants in **Pechory** have received **new facilities for different sports and culture**

Contribution to **strengthening local sports clubs on both sides of the border** through experience and know-how received by participation in this project

**Training of football trainers, referees** and other staff of Russian side to teach them professional football management exchange of know-how experience

Series of football matches (both summer and winter) to popularise sports activities, healthy lifestyles and meaningful activities of children's leisure time

Väike **jalgpalli** harjutusvara

**Educational brochures serves also as a practical handbook for trainers**

**„2 vs 2 JALGPALLI BOWLING“**  
7-12-aastastele

Harjutuse ettevalmistamine:

- 4 mängijat
- Väljak 20 x 20 meetrit
- 2-8 palli
- Tahised väljaku maha märkimiseks
- 8 koonust

Reeglid:

- Mõlemad võistkonnad üritavad oma väljaku poolelt palliga vastase koonuseid lüüa.
- Oma väljaku poolel tohivad mängijad vastast segada ja mitte lasta pallidel jõuda oma koonusteni.
- Võistkonna kaaslased võivad palli teineteisele sööta.
- Koonused, mis vastase poolt on maha löödud, jäävad sinna lebama kuni mängu lõpuni.
- Võidab võistkond, kes saab esimesena

- Näpunäide:**
- Kõige täpsem löök on siseküljelöök.
  - Harjutuse sujuvamaks läbiviimiseks varu rohkem
